

Thai Plaspac Public Company Limited

Quality Policy

“We are committed to manufacturing plastic products that are of high quality, safe, and compliant with applicable laws and regulations for our customers, while also maintaining responsibility toward society and the environment.”

To achieve this quality policy, the Company will undertake the following actions:

1. Develop and improve product **quality** to meet customer requirements.
2. Deliver products completely and **on time**.
3. Enhance **reliability** through continuous improvement.
4. Provide services and build strong relationships with customers with **honesty and sincerity**.
5. Comply with labor laws, **occupational health and safety regulations**, and other relevant requirements.
6. Manufacture products with consideration for consumer safety.
7. Ensure compliance with relevant plastic packaging laws and regulations, while monitoring updates or changes to applicable legal requirements.

All employees are required to participate in and are responsible for implementing, maintaining, and continually upholding this Quality Policy.

Announced on **20 January 2025**

Mr. Theerawit Busayapoka
Managing Director
